EXECUTIVE DIRECTOR

Notice of Award

MDES RFP 16-02

Employee Assistance Program

On August 10, 2016, the Mississippi Department of Employment Security (MDES) issued Request for Proposals (RFP) 16-02 for the procurement of an Employee Assistance Program (EAP). As a result of this procurement, two (2) vendors submitted proposals. An evaluation committee scored the proposals and selected E4 Health for award of the contract.

E4 Health will offer comprehensive health and work-life services to the employees at MDES and their families. The services offered will provide guidance, assistance, and counseling to those who voluntarily seek assistance from the provider or those who are referred by MDES management. These services are designed to restore employees' capacity to an acceptable level enabling them to perform their jobs.
